

Price Information - July 2024

This document outlines the prices of our main products.

We have also included a helpful guide to assist you in making your purchasing decisions, as our products are available in various formats.

For further information, please visit our website or contact us directly.

RRP

The recommended retail price for the product.

Trade Pack Prices

Our trade packs are the perfect option for stocking and reselling the products.

Unless specified, each pack contains 24 units.

Manufacturers Pack Prices

Purchase our Manufacturers Packs to create products for resale. These packs economically contain all the necessary components, conveniently packed into one box, ensuring you have everything you need for successful production.

Workshop Pack Prices

Designed for schools, craft workshops, and social groups, our workshop packs conveniently contain everything your students need in one box.

Special Offers

Please take advantage of our exclusive offers to kick-start your business; whether you're a trade customer, a manufacturer, or someone who wants to run a workshop. We have special deals available to get you started.
